

PRECIOUS PETS 19744-5, 20397

CONTENTS

Your Precious Pets is supplied in one box containing:

1 x pet with fur bed

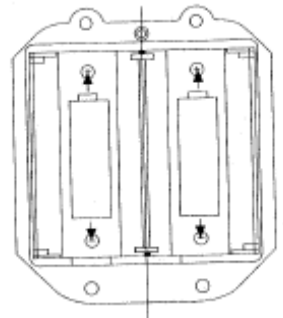

This product requires, and includes, 2 D batteries (demonstration batteries – not intended to last a particularly long time)

BEFORE USE

1. Unpack your puppy/kitten from his/her box, taking care to remove all packaging. You may wish to store the packaging (this is intended to look like a carry box).
2. Allow your pet to doze happily in his fur bed. His/her breathing is gentle – do not expect loud sounds.

TO INSTALL/REPLACE BATTERIES

1. Locate the battery compartment on the underside of your pet.
2. To insert the batteries, unscrew the battery compartment cover.
3. Install 2 D batteries observing the polarity (+/-) indicated.
4. Close the battery compartment back up again, replacing the screw.

CARE & MAINTENANCE

Your pet can be wiped clean with a very slightly damp, clean cloth.
Do not immerse in water.

Battery Care

- Install the batteries as indicated, observing the polarity +/-
- Do not mix old and new batteries
- Do not mix alkaline, standard (carbon zinc) or rechargeable (nickel-cadmium) batteries
- Remove weak or dead batteries
- Remove batteries if the product will be out of use for long periods
- Remove rechargeable batteries before recharging
- Do not short circuit the supply terminals
- Do not attempt to dispose of batteries by burning them – dispose of them appropriately
- Do not attempt to recharge non-rechargeable batteries

TROUBLESHOOTING

In the unlikely event that your pet is not breathing properly:

- Are the batteries still OK? Replace as required
- Are the batteries installed correctly?
